February 28, 1938.

Dean Paul B. Lawson,
College of Liberal Arts and Sciences,
University of Kansas.

Dear P. B.:

Thanks for the explanation. This clears up everything. I am glad I have found out that it was a 25 cent cigar, a two-bitter. You bit the cigar, then bit the dust, but make Mr. Wagstaff pay for parading under big shot colors.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
