Mr. F. C. Allen
University of Lawrence
Lawrence , Kansas .

Dear Mr. Allen

I have a little more information that I would like to trouble you for . Is the university going to have a coaching school this year . If so at what date will it be held . I am interested in a the school having both football and basketball . If the university is not going to have a school, then at what place do you intend to give instruction this summer .

I take pleasure of thanking you in advance for the information and also for the mimeographed copies the rules and also of the plays .

Sincerely yours,

John L. Livingston

T. A.
