BUFFALO ATHLETIC CLUB
BUFFALO

We are in N.Y. City. Dec. 28th 1942

Everybody got up at 9:00 A.M. at 9:30 we met in the lobby and went into the Belvedere Restraunt and ate breakfast. After breakfast, we went back to our rooms till time for lunch. We couldn't go out and see the city because it was raining. During our free time in our rooms we either slept or wrote on our logs of the trip.

At 1:30 P.M. we ate a nice lunch in the Hotel restraunt and then went back to our rooms to sleep till 5 o'clock. We got up, went down to the restraunt again, ate a fruit cocktail, toast, and drank some tea. We then went back to our rooms knowing that we were to be dressed in our basketball equipment by 7:00 P.M. At this time we met in the lobby to go ~~over~~ across the street to play our game with Fordham in Madison Square Garden. We had plenty of time to warm up for the game wasn't until 8:15. We took it fairly easy, mainly trying to adjust ourselves to the floor, glass-backboard, and the huge crowd. In my opinion, for such a ~~small~~ large place they have a poor basketball court.

By the time the game started there were approximately 15,000 people in the Garden. Charley, Otto, John Buescher, Armond, and Ray started the game. We started rather slow but were leading at the half 16-9. The last half was close, but we finally won 31-30. Ray made the winning basket. I only got to play a couple of minutes just long enough I guess to make a mistake, never long enough to redeem myself. I'm thankful for being a member of this U. of Kansas team, however.
