

"WITH THE COLORS"

Tuesday, Feb. 12, 1918.

Dear Marie,

I am on a "light occupation" today, acting as Room Orderly at the Cantonment U. M. C. A.

The Company is on guard except a half a dozen, who are hauling coal, and others on special duty.

Yesterday, I passed the wigwag test with a perfect copy. I know I will have no trouble with the Radio or Acetylene lantern tests.

Sunday afternoon, Sgt. Brown, Fretchie and Emil Sundberg & I went out for some wigwag and semaphore practice.
