Dear Dr. Allen:

My attention recently has been called to a new recreational game devised by you and called "Unigoal" or "Goal-Hi." I have no idea where I could get any account of the equipment necessary for this game, or the rules covering it. I would greatly appreciate it if you could let me know, or better still ask the manufacturers of this equipment to send me the details about it.

Thanking you for your kind attention to this request, I remain

Sincerely yours,

Russell L. Durgin
