

"WITH THE COLORS"

(4)

Most of us would give three months pay if we could have our horses back again.

We are spending nearly all of our time now with our technical work, radio and visual signaling. It sure is interesting. After the B Battalion field maneuvers, of which I told you, Captain Murphy complimented the performance of Co. "A-6". And, this morning Lt. Butler told us we were the best trained Radio Company in the Army. Class to us huh. We are going to lose him as
