

SIGNAL CORPS

Feb. 14, 1918.

Your cards received,

which may occur sometime
this year. ^(?) It all depends
on transportation.

Our Battalion Commander,
Major Moore, has been
promoted; another mighty
good officer lost to us.

With love,
Forrest.

the Company Clerk and
Supply Sergeant check
up ordnance and clothing
equipment yesterday and
today. You have no
idea of the enormous
amount of "junk" it
takes to outfit a Signal
Company.

Every thing is being
straightened out ready
for a "French leave";
