January 7, 1943.

Mr. Scotty Knox,
1540 Louisiana St.,
Lawrence, Kansas.

Dear Scotty:

I certainly got a wallop in reverse last Monday night at the enthusiasm displayed by you as cheerleader.

During football season you were all pepped up over the cheerleading, but I never saw such lassitude as you showed Monday night. What happened, Scotty?

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
