

"WITH THE COLORS"

Monday, Feb. 25, '18.

Dear Marie,

A letter from you this morning and a cake tomorrow, I hope. I know I need not worry about how good it will be if "S.M.A." made it.

I don't remember what day it was when we went to Rockford, but I do remember that game of "rhum" we played before we went to the theatre.

I think you wore that silk dress with the big pockets — didn't you?
