Lawrence, Kansas.

Dear Doctor:

I received your letter of the 11th also the carbon copy of the letter you sent to Mr. Harry Carlson at Colorado. Doctor I certainly appreciate your assistance and the confidence you have in me.

I did not get the job, one of our high school coaches here landed it. Ralph Higgins took his track team to Colorado last week and he told me they wantes a man to teach gym classes and that thee traing was a poor second. Ralph was sure suprised when they hired this man. I guess I am not suposed to care for boys, I don't seem to get a break.

Thanking you again for your nice letter, I beg to remain,

Very sincerely yours,
