September 18, 1937.

Mr. Charles L. Mitchell,
Secretary, Crane & Company,
Topeka, Kansas.

Dear Charlie:

Thank you for your good letter of the 16th.

You wrote a dinger to Elmer Holm. If this fellow doesn't do something for you now it will not be because you didn't give him a pep talk.

You are right - you will hear from Mr. Henry in the very near future, I am sure.

I will be delighted to see you in your recreational parlor. That "parlor" sounds like plush carpets and everything. It would be a great treat to be with you in your "Captain's Cabin". I should have raised that rank two or three, but the alliteration sounds better than the raise in rank.

Don't worry about that upper lip. Nothing grows there.

Yours for the better all the time.

Sincerely yours,

FCA:AH

Director of Physical Education.
