Mr. C. L. Brewer,
Department of Physical Education,
University of Missouri,
Columbia, Missouri.

Dear Chet:

I had not planned on being in Columbia for the Big Six Track Meet until I received your letter concerning Henry Schulte. This invitation has caused me to change my mind, and I am planning on being with you.

It will be a great pleasure to sit with your group and with friends of Henry Schulte at the Schulte dinner. Henry Schulte is a great soul, and I think that you should be commended for giving him this very worth while recognition. I will deem it a special privilege to be with you to honor the old Indian.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
