Miss Minnie S. Moodie,
Spooner-Thayer Museum,
University of Kansas.

Dear Miss Moodie:

I found a brochure on Russell Cowles and his paintings, and from the handwriting on the brochure I take it that you sent me one of these very welcome booklets. I am thrilled with it and am taking it home to go over with Mrs. Allen and Jane.

I know that Jane will appreciate it more than either Mrs. Allen or I because she finished in Fine Arts here at the University then took a year at Stanford.

I want you to know that I do appreciate it very much. Although the women folks are going to drive East the first of next week I am going to make it a point that we take in this collection before they leave. It was very nice of you to remember me. Thank you so much.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
