

"WITH THE COLORS"

(2.)

dinner and supper.  
Our bunks were right  
handy in our "parlor"  
and a half an hour  
"bunk fatigue" is fine  
after each meal. (The  
army name for work  
is "fatigue". Overalls  
are called "fatigue suits.")  
Stick to the advice of Hector  
Fox. However, I wish you  
would read every article  
by Alfred McCarin,  
that you see. There is  
a good one in April  
"Physical Culture." Did  
you try to read any of  
"Starving America"?

Well I am waiting  
for your Easter snapshots
