now.

I hope you join the "Campfire Girls," it sounds pretty good to me. Be sure to tell me all about your doings, if you do.

Has Cashus got a key and bugger like I had? Why don't you get him to teach you? I sure do wish we could be "fixed" so we could telegraph to each other. I passed the 20-word per minute test which, in civil life would qualify me for a Govt license as a commercial operator. I may set up
