Mr. H.D. Edgren,
5315 Drexel Ave.,
Chicago, Ill.

Dear Mr. Edgren:

It will soon be time for the annual meeting of our Committee on Research and Visual Investigation.

As a member of the Research Committee I would appreciate it very much, if you would send me at your earliest convenience, a report on your work during the past year. I desire to place our report in written form before our Rules body in New York and I shall therefore appreciate your cooperation in giving me the results of your investigation during the past year.

I will be in Atlanta for the National Association of Basket Ball Coaches meeting on the 29th, 30th and 31st of March. Will you kindly send me, care of Roy Mundorff, basket ball coach Georgia Tech, Atlanta, this very necessary information?

From Atlanta I expect to drive on to New York with my family. While in New York I expect to stay at the McAlpin or the Hotel New Yorker. I prefer to have you send my mail to the McAlpin because that is where the coaches meeting will be held and I can get it there.

I trust, however, that you will be at Atlanta and we can discuss matters there and be in a position to do better work by personal cooperation. Perhaps, if you can arrange to arrive in New York a day or so before the Rules meeting, we can discuss the problem thoroughly before making a written report.

Appreciating your cooperation and trusting to hear from you in the very near future, I am

Very cordially yours,

Director.
