

"WITH THE COLORS"

(7.)

Also Blanche hasn't
been in the best of
spirits after the trouble
she has been having —
and you know that
makes a little difference.
Marie, ~~she~~ just act as
if you thought Blanche
loves you just the same
as she always has, and
you will soon find out
that she really does.

With love,
Forrest.

(Give the enclosed typed
letter with note to
your Father.)
