now interference.
33. Olympic Games

Benefits of 12' Baskets 10 ft for High School

at present ratio is out of balance.

3 points field goal.
1 point free throw from 20 ft. line
33 Olympic participation - 12 foot basket equalizes height 2 teams is desire of Olympic Com
1. Are of disbursement is greater - freeing congestion under basket.
2. Guards are forced further away from baskets to get rebound.
3. Forwards " " " out " " "obtain".
4. Will encourage more Floyd Rader shooting a/c greater value of field goals.
5. Will definitely reduce foul shots because of no drive in necessity.
6. Shots are easier made 8 or 10 ft out from basket instead of right under
7. Will eliminate the player's effort to draw two shots by being fouled.
8. The four foul disqualifying rule will still discourage too much fouling.
9. Will require all players to shoot upward for basket as originally intended by Dr. N.
10. Present congestion of tall men under basket works a hardship on short men.
11. Less handicap to short man in shooting extra distance than by jumping distance Eg. Frei
12. No other sport puts such an outlandish premium on height as does basketball.
13. A player accomodates the muscles of the eyes and hands to height the same as to distance.
14. The only reason the height of the present basket is 10' is because of the Lynn running track Hurdles Shot Discus Track Field.
15. It is very much more difficult to score directly under the basket than out away from it.
16. A 12' basket is a blow to the zone defense a/c spreading defense.
17. A 12' basket is another impediment to the zone defense.
18. The speedier players could receive ball before ball goes out of bounds in zone.
19. No necessity for driving in for lay ins.
20. Decided aid to officials - awarding 2 shots on fouls.
21. Will do away with single and double post plays.
22. Do away with your 3 second rule in the lane.
23. " " " rule re interference of ball on or above rim.
24. Will increase spectator enjoyment by high archshots that hit.
25. Will decrease number of accidents under goals, driving in. Utah St. Morris, Texas Kappelman Utah State
26. Will actually give more rebound playing space per player. not so much tipping nudging
27. Four foot zone behind basket another factor against zone defense.
28. Would have made unnecessary all legislation around basket such as 1 yd rule etc
