Dear Dr. Allen,
Arrived Nov. 16. and am very happy to be here. I don't do things my own way of course, but enjoy the Navy way. Am section leader of my platoon. If you hear of 48 girls marching into the reservoir at Hunter, rest assured I forgot my commands.
I'm not in long with the rain & snow but take it anyway. Have about a Jayhawker Rebound. Sincerely
Ruth Baker.
