Dear Pete:

Thank you for your thoughtfulness in sending a check for $4.00 for the book. It was a pleasure to autograph and mail the book to your friend. I trust that it hit the spot.

We will all be looking for you and your family at Commencement time. I too heartily agree that the decision was most wise at the present time.

Bob and all of us are very happy over his attainment of Phi Beta Kappa, but he is taking it in stride, as he has all his honors. It never seems to fluster him unduly, and that makes us even more proud of him.

My love to all the family.

Fraternally yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach

P.S. It was necessary for Dr. Allen to leave for Norman, Oklahoma on a baseball trip before this letter was written. Dr. Allen asked that I sign the same and forward it on to you.
