Girl radio amateurs
have shown real ability,
and right now the
government has women
teaching telegraphy
to Signal Corps recruits.

And again let
me say that you have
the "stuff" in you to make
a first class operator,
not a "Morse butcher,"
as we call one who
chops out the dots and
dashes in rag time.

Telegraphy is similar to
playing the piano in that
one has to consider "time" and
rhythm, also one must
hold the fingers, wrist
and forearm correctly to
