give everything to make
her the happiest in
the world. I know her
just a little better than
you may suspect, and
don't get the idea that
I am turning loose
any "bunk of a busy brain".
So just believe me
when I say that Marie
has "wrapped herself
around my heart" and
is there to stay. I couldn't
even imagine a girl that
would appeal to me
more than little Marie does
and that's putting it pretty
strong for I got a pretty healthy
imagination.

Anyone that wants
