Dear Janet:

I had a nice card from Mc today, and understand thru Dolph that he is now at home where I am sure he will be more comfortable than at the hospital.

I am sending him by mail a cane that I carried at the Rotary Convention at Emporia 12 years ago. I don't believe that it will harm a Lion to receive whatever support he can get from a Rotary cane.

I took your good letter home with me today and I am sure that your mamma will answer it shortly.

Don't work too hard. I hope that Mc improves rapidly.

Lovingly,

Dad
