

"WITH THE COLORS"

May 9, 1918.

Dear Marie,

Your letter of the 3rd just came today, so I guess it must have been lost some way.

I most certainly do think that you should get more sleep, as I said in answer to your letter of the 5th. I hope that you will be feeling better in a short time. Have you read "Starving America" ~~to~~ through yet? What did you think of it and did you understand the main things pointed out by the author. I have read many books on food but believe
