Mrs. E. M. Owens
823 Kentucky Street
Lawrence, Kansas

Dear Mrs. Owens:

I looked up the list of lost towns given in Volume Twelve, Kansas Historical Collection, and I thought if you would send me the list you have prepared, we could have it made by typewriter and give you a carbon copy of same.

I have already found some information--I might say considerable information that I did not have previously.

I thought the meeting was very good.

Sincerely yours,

W. C. Simons
