"WITH THE COLORS"

May 22, 1918.

Dear Marie;

I am writing this little note because the Y. M. C. A. secretary is just leaving for the Post Office.

We are quite sure of leaving Fort Leavenworth tomorrow. I think we are to join the Sixth Division in Carolina. (O. O. N. ?) This does not mean that we will go to France soon, however.

Keep right at on writing to me wherever I am, please.

With love

Forrest.
