Reasons moveinge the Court to estublish the orders followinge

Forasmuche as it appeared by diverse and sundry motions at the barre that there are many and frivolous suits preferred maliciously against a greate number of our Maties subdts for vexation onlie wth Esmith the plfs doe not pstecute wgnrly the defdts and forced to an infinite charge in bringinge in their learned counsell to the barre first to move the Court for a peremptorie daie for the plfs to showe cause why eche matter could not bee dismissed for want of pstecution And secondlie to attend at the peremptorie day appointed upon the first motion to prove what was bee showed and make answere And wee vaie the lords and others of this most honoble Court in Hillary term in the second year of our gracious reigne gravelie and ripelie intendinge the case of the subdt in the premisses did especiallie order that all suits as were at that tyme put in tedious Answeres the term last termed to shew Bills be were exhibited against them that yf the plfs should not replie unto the said Answeres by the first sittinge of the term next termed that then the defdts should be dismissed wth their costs
