

ARMY AND NAVY  
YOUNG MEN'S CHRISTIAN ASSOCIATION  
"WITH THE COLORS"

(3)

during the last five or six years was studying too much, too many different things. Radio and buzzer telegraphy, photography, chemistry and a half a dozen other hobbies all had a hold on me and I spent time studying technical books for which I might better have spent otherwise. I don't want to pat myself on the back too hard but I believe that my understanding of the theory of radio is better than that of the average man in the company and for photography,
