and payd to ye said late Matie for a
subsidie of the said Marchandizes and
neither more nor lesse Corporatings
nye marchandizes onlie as in a schedule
annexed unto the said lres patents were
either to bee altogether free from payt
of the said new Impositions, or else were
appointed to pay the same in sure other
portions as in the said schedule was
expressed. And at the tyme of the
makinge of the said lres patents and
longe before Grogrames of silke narrow
were worth the yard vj^s viij^d and broad
the yard x^s and were then and longe
before so rated in the booke of rates
for payment of customes and subsidies
and according to that rate the customes
and subsidies was then and longe before
used to bee payd for them, and were not
expressed in the said schedule, And at
that tyme and longe before Carsey
grogrons were worth the peece not
above 16 yardes 40^s, and at that rate
were then and longe before rated in the
said booke of Rates for paym^t of customes

and subsidies, And according to that
rate customes and subsidies were then
and before payd for them, and were
expressed in the said schedule, and thereby
appointed to pay for the said new Imposition
xx^s the peece. And at that tyme and
longe before Naples silke black was
estimed to bee worth xx^s the pound
contayninge 16 ounces And in colour
xxvj^s viij^d and at those rates were then
and before rated in the booke of rates
for paym^t of customes and subsidies, And
according to those rates customes and
subsidies were then payd for them and
were not expressed in the said schedule.
And at that tyme and longe before Tuan
longe silke the pound contayninge 24
ounces was estimed to bee worth xxj^s viij^d
the pound and raw Tort silke the pound
contayninge 24 ounces was estimed
to bee worth vj^s viij^d the pound, and at
those rates were then and before rated
in the booke of Rates for payment of
customes and subsidies, and according
to those rates the customes and subsidies
were then and before used to bee payd
