little pet weaknesses  
when he is tired and  
restless. Get all the real  
outdoor fun, the real  
fun of hiking, swimming  
riding, that you can  
and try to avoid the things  
that make you mentally  
tired. Are you going to  
stop both your music  
and elocution lessons?  
I think that your health  
and then your school  
work should come above,  
and be considered before,  
anything else.

Have you started to  
learn to ride yet? What  
kind of a saddle have  
you, and how do you  
like it? Please tell
