active outdoor fun as any boy, but at the same time I keep all her girlish ways.

Well I wonder what other folks would think if they read my letters like this one. Other boys don't write like this I am sure and maybe I am wrong in doing so. Please tell me exactly what you think.

I guess I am just telling you the kind of a girl that appeals to me - or rather one reason why I love a little girl whose deep brown eyes are so full of warmth and love.
