(1-8-8-40) mil uses a rather large wash basin to awaken her from a good sound night's sleep! One receives such a view as this from door of tent.

1-8-8-40

(2-8-8-40) Camp on semi-island at Granddaddy lake. We made this camp a permanent one during our stay. Ideal during both day and night. Seemed to be fewer mosquitoes, if a single one, on this island.

2-8-8-40

(1-8-9-40) Just sitting around waiting for sun to set low before commencing our evening fishing. A notable collection of stream bats to say the least.
