

Spring temperatures would average  $+20^{\circ}$ , <sup>400903-139</sup> that is <sup>the</sup> Hayden Canyon  
springs of the entire area including those in Hayden Canyon  
along side of trail. Birds observed as being unusual are:  
marsh hawk, Osprey, Cooper's Hawk, 9 pintail ducks, seven  
blue-winged teal or Cinnamon Teal, one of the group a ♂. all  
observed at Granddaddy Lake. Best fishing at 10:00 A.M.  
Evening fishing starts as shadow is  $\frac{1}{2}$  way up mountain  
side to the south and east of Granddaddy Lake. Mel and  
many made return trip in 4 hours.
