6-22-43 - Trip Ocean-side for first time.

6-29-43

Oceanside via Forrest Grove, Gale Creek, Wilson River highway, Tillamook, Oceanside. Remained at promontory and observed activity of the Three Arch Rock National Wildlife refuge islands. Ret via Cannon Beach.

7-18-43

Trip ibid. Traversed ocean beach to Olsen Point.

9-26-43

Vancouver Lake via Levech or Burnt Creek. Itinerary as usual. From mouth of Levech or Burnt Creek proceed south along shore to south end of lake, hence south along shallow
