

able collecting there it would be a very profitable locality to tie in with the geographical phase of the problem.

Would you kindly reserve the 14 gauge shot gun for our use during the summer season. We will bring the auxiliary barrel and I can fit it to the gun there.

The clothing sizes, as requested in memorandum of march 31, 1951, are as follows:

	Bee	Jones
shoes	7 1/2 E	10 D
socks	11	11 1/2
worst	41	30
trouser length	27	33
sleeve length	32	34
neck	17	14 1/2
hat	7 5/8	7

Our planning was based upon an ideal arrangement. We know that the provision of actual transportation in the field may be another matter and we have full confidence in your making the best arrangements possible for all concerned.

Sincerely James W. Bee.
