

Continued 160 highway to Durango, thence S to Aztec, visited ruins thence to Shiprock, thence west (504) to 12 miles E of a double monolith between Shiprock and Mexican Water.

22 mi. E Mexican Water, Arizona (measured by road)  
Aug 9, 1961

Left camp at 6:25 A.M. - 86086.2 Sun up 5:36 A.M. Camp 12 mi. E. double monolith. <sup>86108</sup> Mexican Water. At bridge over Tyende River 86112 photo (610809-1) of Jay in river and 610809-2 of Jay & Holly in muddy river at base of cascades. Good bell rattlesnake 86114. Dinnabotsa at 86125 Photo (610809-3) at 86136 S of Dinnabotsa of erosional cliff, anticline at edge, 8-6152 Kagenta 11:30 a.m. To Navajo Nat. Mon (10 miles) thence Shonto, thence to Incription House. At Shonto 86209. Photo (610809-4) of dunes and grade west of Shonto rd. at highway to Navajo mountain 86244 at 4:5 pm. with stormy conditions did not attempt to cross over to Incription House but drove highway to Tonalea, thence back to road leading directly to Incription House and to Nat. Park area or end of road on west end of Navajo mt. Mr. & Mrs. <sup>myself</sup> Hedricks run cabins and trading store. Met Mormon missionaries who were camped there. Road all along eroded & flooded with recent rains of yesterday &

and this A.M. Enroute note 2 jackrabbits and 10 cottontails - mourning dove scarce but generally distributed. Did not see deer although we were traveling in evening. Left highway about 4:30 and arrived 800 P.M.

Bridge  
Rainbow National Monument Lodge (Hedricks Lodge), West  
end Navajo Mt., Arizona.

Aug <sup>10</sup> 1961 (see Aug. 11, 1961 for photos)

This morning at 7:20 followed trail north to prominent ridge about 3 canyon. From top of this ridge could see to N & west. Photo (610809-1) of family and country to west. Enroute counted 18 Sceloporus and 1 Cnemidophorus. Several robber flies. Birds scarce. Few pinyon jays & small grackles. Returned at base at 11:15. Packed & started south at 12:30 P.M. - 86304. At 86310 of Navajo mt in distance (610809-2). Indian pottery surrounding rocky knoll. At 86310 took photo (610809-3) of Jay <sup>10</sup> in <sup>10</sup> sun-baked corn field. At 86333 photo (610809-4) and (610809-5) of deep erosional canyon and dense tree cover below. and (610809-6) of ear at base of hill with eroded wagon tracks. Arrived highway 86360 at 4:40 P.M. Plan to visit Tuba City and Glen Canyon Dam this P.M.
