

Edmonton Beach Campsite, 24 miles W Edmonton, Alberta, Canada.

Aug. 11, 1962 (Saturday)

Left Camp 8:00^{A.M.} at 97394. Heavy dew last night. Best to place tent where sunshine dries tent in early morning. Country west of Edmonton gradually changes from open country to parkland to solid forests of aspen, birch, then aspen, birch, larch and black spruce; some areas of lodgepole pine. Good stands of black spruce in low extinct lake beds. No noticeable change of fall colors. Porcupine most common road kill. Lakes in timbered country supported only a few ducks probably on the basis of 1 duck to 50 on the prairie. Photo 620808-3 prominent peak to left at Pochontas 620808-4 & 620808-5 Jasper + deer. Photo 620808-6 - Whirlpool F. Bridge - Mt + River to west - Annette in foreground - Leach Lake 620808-7 Jay in foreground - (8) (9) (10) Athabasca Falls - rangers point a few miles west Athabasca Falls 620808-11 Photo (12) 7 mi. east of Stutland Glacier Photo (13) shooting upstream at base of icefield Photo (14) Columbian Ice Field (15) sign of Mt. Saskatchewan (16) moose at Survey Peak Sign (17) Jay + Chris junction of rd from east (18) Mts (19) Lower wildlife Lake; (20) ^{and (21)} below upper wildlife lake of mt. Arrived Bow Lake Camp.

Bow Lake Camp, Banff Natl Park, Alberta, Canada

Aug 12, 1962

Left Camp 9:00 A.M. at 97741. Photo 620812-1 of Lake & Camp. 620812-2 of tent. 620812-3 of glacier + flowers above Lake Louise. Photos 620812-4 of family at Lake Louise Chateau; 620812-5 of Lake and 620812-6 of family + Lake. Will continue highway 1 to west. [Looking water pump caused us to go to Banff for repair. At Banff photo 620812-7 of private home and 620812-8 of city to N. West of Banff to 257 E. + 30. There.] Returned to Lake Louise, then west highway 1. About 3 mi. w photo 620812-9 of mts + lake in foreground. Photo 620812-10 of same area in telephoto (N.B.) In Glacier Natl Park 620812-11, 620812-12 and 620812-13 ^{and 620812-14} of cloud pictures. This road is thru wilderness and is new but did not see small mammals or birds or road-kills. Larger trees than in Jasper Park areas. Two bears
