Lawrence, Douglas Co., Kansas

April 18, 1964

Photos 640418-1 to 640418-10 of James Robert Bee. The occasion was the parade for K.U. Relay. Band the Lawrence High School.

6/10 mi. W and 7/10 mi. N Lawrence (P.O.), Douglas Co., Kansas

April 19, 1964

son James Robert collected a *Natrix sipedon*, common water snake, No 640419-1. It measured 293 mm body, 100 tail, 19 gms wt.

Lawrence, Douglas Co., Kansas

April 22

noted a ♂ & ♀ Cardinal on lawn. They exchanged either food or building material by mouth.

1 1/2 mi. E Clinton, Douglas Co., Kansas

April 25, 1964

Checked results of tornado damage in Clinton area. Enroute at 3/10 mi. N of the SE corner sec 31, T12S, R.19E, photographed trees blown over by the tornado. Photo 640425-1 of lone tree in field.

The tree fell to ground in a WSW direction and then rolled N <sup>1 1/2 times</sup> several times to its present position. All trees in area showed this pattern of rolling N from its original position to the west.

position tree fell and consecutive rolls to N.
