

Station 5. Fort Bridger, Uinta Co., Wyo. 3701 [6-66 insertion following first page of pictures]
 Station 6. Carter, Uinta Co., Wyoming
 Station 7. Deep Lakes, Bear Lake Co., Idaho. lost (but subsequently recovered)

Unfortunately my notes on this trip were [redacted]. The only recorded evidence saved was a separate set of field numbers and a photographic record and also a letter written home as reproduced here, which included a little information at Elk Park. The field numbers of my collection for the trip is as follows.
