

Strasburg, 63970, 11:45. all tubulars of Bryan River  
 have been severely flooded. Cottonwood trees grow up to  
 highest flood level of water & sand and are probably  
 controlled by periodic floods. altitude 5-380 ft.,  
 temp 72 (in car), humidity 10 percent. Continuing birds  
 census to Denver, having been in continuous operation  
 since the Colorado-Kansas state line on highway  
 24. Badger - roadkill - 63975  
 Watkins, 63987, 12:15.

mourning dove  
 striped skunk (road kill)  
 2 cottontails (road kill)  
 jackrabbit

End of census, 64000, 12:30, Aurora

64006, Denver, 1:00 - Fitzsimons Hospital

Beyond Denver to Ft Collins there were a scarcity  
 of birds, not much different than on high plain  
 east of Denver. Mourning doves & meadowlarks  
 occasionally noted. Ring billed gull, <sup>and Forster tern</sup> most numerous  
 bird, some flocks 150. Lake overcrowded with  
 fishermen & must influence water bird population. One  
 badger kill near Loveland turnoff. Arrived Ft Collins  
 2:30 near to Laramie on 287. Wyoming line 5:00

64120, Turkey vulture 64129. at approx 10 miles  
 S of Laramie noted ground squirrels at 1 per every 200 feet,  
 these continued to about 5 miles S of Laramie. Arrived  
 Laramie 64146 at 4:45. Left Laramie, old road 30-287  
 for Rawlins. 64156 prairie falcon
