

3-11-6-37 Gareth Lee posing with cache can on back. Laffer and Nebo in distance.

see next page for 12/2/37  
12/10/37

4-11-6-37 Plaque Placement Ceremony on peak. Gareth Lee, Blaine Carlson, Buckley Taylor and Wayne Dripdale from left to right.

Rush fire in Provo Bay area south of Provo, Utah. These fires are annual affairs probably started by sportsmen or at least intentional. It is far better that these fires are started in the fall and winter rather than during the spring nesting period. However many spring fires have <sup>been</sup> started when the ducks, geese, grebe & heron are nesting or attempting to raise their young. The 3 smoke columns indicate a danger signal for the wildlife regardless of season.
