 crow-2- hawk redhill 1 areas]

Saline River
~~Black Bayou~~ 19745, 3:20 (top bridge is Texas State Line)

Saline Pass 19786, 4:40 Continued along gulf to
 mileage 19800 and camped on beach. Enroute the
 birds limited and habitat not as ideal as in Louisiana
 with short, burnt over grazing lands and short form
 vegetation of flat coastal flats to gulf beyond. Usual
 birds. At camp on beach noted 12 great blue heron
 flying by after sun down ^(5:23) and a group of 30 sandpepers
 feeding on beach. 18 Ringed bill gulls, on beach before
 sundown but left shortly after. 6 scaup ducks
 alighted in gulf waters Set 50 traps from edge
 upper edge beach to water to N. ^{sandy + shell covered} pero sigmodon.
 Beach of sand and numerous ocean beach ← dry → damp ↑
 marine shells. 207 miles today. water

Beachcamp
 14 mi. SW Saline Pass, on highway 82, Texas 87
 Dec. 29, 1968

Shortly after sun-up noted ring-billed gulls (8), willet (3), black-bellied
 plover (2), sandpiper (6), killdeer (12), great blue heron (1), forster
 tern (4), scaup ducks (flocks of 5 to 100 and approx 500 all told),
 grasshopper sparrow, meadowlark, savanna sparrow, laughing gull (2)

From trapline of 50 traps collected.
