Photo 830801-1, 830801-2 and 830801-3 of trees and  
 Pacific Ocean Beach somewhere between Eureka and  
 Crescent City. At a place where a narrow peninsula  
 jts out into the ocean and where there is a plaque  
 in memory of a arms services plane crashed into peninsula  
 and killed all crew members. These 3 photos are, in fact,  
 Pacific City Thousand Trails camp. (off rock in distance, from  
 the above described peninsula)
