

Lawrence, Kansas

June 20, 1984

Since last date Mary talked to John L. Sorenson, Head
Dept. Anthropology (774 SWRT-378-6108 and to Mark
Heckman Chairman School Family Home and Social
Sciences (990-SWRT-378-1608). Both individuals will
provide office space in either Anthropology or Beau
Life Sciences Museum. Prof Forsyth called later and
asked if an Endowment could be set up for me. Also
mailed today excavation of sites 11A, 13B, 13 and report
of George Peck of levelling a mound where William Peck
Homestead was built.

- This afternoon photos of back yard, ^{and interior of house} at 402 Yorkshire Dr.
Annette's new camera
- 840620-1 rock border E side, strawberries, Artemisia.
 - 840620-2 rock border E side, marigolds (butterfly collection site)
 - 840620-3 rock SE
 - 840620-4 JW Bee at home
 - 840620-5 ibid
 - 840620-6 ibid
 - 840620-7 " testing motion & flash
 - 840620-8 backyard, reflection pool, decorp.
 - 840620-9 S side house & rock garden.
 - 840620-10 front yard & Barth
 - 840620-11 JW Bee in Barth.
 - 840620-12 JW Bee in Barth, flash stops Rubie cube in air
 - 840620-13 Annette on Jay's motorcycle
