

Glenwood Springs, Garfield Co., Colorado

Nov. 24, 1984
 Glenwood Springs and drove on 82 to Carbondale and then return.
 Left and at 629.0 approx 300 Canada geese in small cr.
 and pasture. 631.2 Carbondale exit, Red-tailed hawk
 and jack rabbit road kill. Returned to Glenwood Springs
 and at the Hot Springs in town on 70 (652.4, 2:55 P.M.) left for
 Denver. 666.8 Eagle Co. line. 668.2 ice along edge
 of river (Colorado) but only about 2" wide as a ice line.
 There have not been ducks on either the Colorado nor the
 Eagle River. Quiet waters in rivers are in ice. 690.1
 ice along river edge is now 6" wide. Continued on 70
 to divide (tunnel) thence to Golden on 70 and finally 6.
 Skiers with bumper to bumper traffic (both lanes) entire
 trip from Vale. One section near Idaho Springs stopped
 for 15 minutes. I understand that this is common for
 week end traffic. Arrived Mary's at 8:00 P.M. Her
 temporary address is. 920 12th St., Golden, Colorado
 80401 303-278-8135 (David Bowes). Mary works
 at R.C.I.

Golden, Jefferson Co., Colorado

Nov. 25, 1984

checked R.E.I. (Recreational Equipment International) in
 Denver.

Denver, Colorado

Nov 26, 1984

Root, ^{canal on} incisor. Camped in parking lot of dental clinic.

Nov 27, 1984
