Harris marina area, 1 bold eagle observed flying overhead or fish-
ing beyond breakwater every half hour.

July 1, 1990
Contacted James Robert Bee & party (see names & addresses listed earlier
in journal, June 20, 1990) and made final arrangement for James' party to
fly out and Annette & I to depart to north (Skagway). Stayed tonight at
bed and breakfast top hill E of Harris marina.

July 2, 1990

James R Bee crew left via plane today at 2:00 P.M. for Kansas.

July 3, 1990

Annette and I left Ketchikan at 1:00 P.M. at hour meter 2846.5.
or 128.5 hrs. from Lopez (Shoal Bay).

arrived Clover Cove, then just beyond to Knudsen Cove. At
Clover Cove an imm. bold eagle sat on ^{top} piling and a violet-green
swallow darted 3 times at the eagle which flushed each time
and then left. At Knudsen Cove 2 imm. bold eagles fed within
30' of boat. 8:03 P.M. adult bold eagle flew across channel. Mary
and Alon are scheduled to join us at Ketchikan Sunday via Alaska
airlines. We will notify airlines as to where we are staying.
