

- 900720-13. 12:01 P.M. SW. Elevated blue lake of same general color as marine water below. The lake is at the N end of White Thunder Ridge and only recently has been exposed by receding Muir Glacier not unvegetated surface of rocks. These lakes have potential for research.
- 900720-14 12:02 P.M. N. Lower end Riggs Glacier. Takhinska mts. in background. The Tsirku River is on other side of these mts.
- 900720-15 12:04 P.M. A lateral branch of the Muir Glacier. (right side <sup>Muir</sup> Glacier). Takhinska mts. in background.
- 900720-16 12:05 P.M. SW a glacier associated with Muir Glacier.
- 900720-17 12:06 P.M. NE. Glaciers on Takhinska mts. Two pairs of double pointed peaks.
- 900720-18 12:07 P.M. NW. Glaciers on Takhinska mts.
- 900720-19 12:07 P.M. S Muir Inlet and Glacier Bay beyond. Mt. Wright prominent on left distance.
- 900720-20 12:08 P.M. S From base of Takhinska mts.
- 900720-21 12:09 P.M. SW. Lone mt with glaciers at base. Glacier Bay mts. in distance.
- 900720-22 12:10 P.M. NE. Head Mc Bride Glacier and Takhinska mts beyond. Streaks soil on glacier lower right.
- 900720-23 12:13 P.M. S From base of Takhinska mts and viewing S
- 900720-24 12:13 P.M. S. Ibid
- 900720-25 12:15 P.M. SW. Crevassed glacier slope Chilkat Range.
- 900720-26 12:16 P.M. SW. Ibid.
- 900720-27 12:17 P.M. SW. Mt. Rice? and glaciers on E side Chilkat Range. Extremely steep slope.
- 900720-28. 12:20 P.M. SW. Glaciers and ice field showing thickness of ice.
- 900720-29 12:23 P.M. SW a river trending SE at base of mts in the Chilkat Range. Rocks dip to N. The area borders the W side of Lynn Canal.
- 900720-30 12:31 P.M. N. Elevated Lake N of convergence of Antler and Gilkey rivers, Juneau Borough. W slope Coast mountains. Lacey River beyond in distance. This lake is blue instead of greenish lake at head of Muir Inlet
- 900720-31 12:34 P.M. S. Mountain with massive areas of crevasses. Wind blown perpendicular cliff to right. This photo and following 3 photos are recorded by time interval only and are not precisely identifiable.
- 900720-32 12:36. to S. General vicinity <sup>head</sup> of Bucher Glacier
