Madeira 19th March 1703@

Since the aforegoing here is arived the Grey hound Gally Capt John Flavel Comander sailed for Jamaica the Mary Rose Capt Thomas Moulton sailed for Nevis and now in Porte the Corke Gally from London a small ship from Plimouth two from Bristol & Ireland the Africa wee had a few lines in favour of the Comander Capt Robert Stevens under the 19th October to present him with a Pipe of the Best wine w.th wee have done & charged to your acc.t but besides that wee have none from you since July past 1702 altho wee have letters from London to the 16 January in answare to several of ours from Persons to whom wee did not write for many conveyances when wee Addressed you soe that we grope in the Darke and know not what to say on several Respects particularly about the goodes wee ordered under 13th November & the Lizard who arrived att Plimouth 27th ditto old style the Copy wee sent via Lisbon in December & have answare from another hand to whom wee wrote & that Conveyance soe that wee cannot say to our freinds that the goods are coming or will come in a short time to lengthen their Expectation and suspend their supplying themselves other wayes——

Inclosed we send you Capt.n Godfrey Crowes third Bil on M.r John Travers for £ 48 11 02 11 04
Capt.n John Boyants third Bil on M.r Xfer Devonshire £ 10 11 03 11 04
M.r Stephen de Lancys second Bil on M.r Robt Hackshaw £ 300 11 —: —
M.r Stephen de Lancys first Bil on M.r Robt Hackshaw £ 100 11 —: —
M.r Mathew Lings first Bil on ditto M.r Robt Hackshaw £ 10 11 —11—

Wee are advised under the 14th December from M.r George Lapthorne and Comp.a of Plimouth that they had received the three hundred pounds wanting 6s 8d Her Majesties Ship Lizard that they had remitted one hundred & fifty pounds and would speedily remit the Remainder they further note that the Richardson Gally Capt.n Tippets Comander was arrived att London that they had sent you the Receipt w.th wee for=warded to them and from another hand wee have advice that the mony sent by him being two hundred pounds was delivered you——

Wee have upwards of four hundred Pounds by us in English mony and wish that some East India ship would call here & give us Bils for Gold that wee have above double that value w.th wee are unwilling to Adventure the Hazard in a Merchant man without Defence

Wee are God bee praised att the 21st March a small ship from Exeter last from Falmouth that sailed in Comp.a of the Portugal convoy con=firms what wee had heard before that embargoe was laid upon all outward bounds ships soe that wee conclude that it will not bee taken off until the Grand Fleete is manned and whereas you had ordered more wines downe to Barbados & the west India Fleete that touched not here it now happens that a ship called the Seahorse 200 tons 8 Guns Capt.n Beamsley Perkins comand came to us from Boston with Pipestaves and other Species

* Perkins

And our orders being to send said ship downe to the Bay of
w.th Liberty to touch at Barbados if a freight offered to
£200 and considering the impediment of the Embargoe in Engla.
the small Quantety of wines owne to that Island wee have agreed
with the Commander to touch there and shall lade for your acc.t about
160 pp att 25 £ Pipe and it is probable wee may ship ten Pipes
more not doubting that hee will carry as it were gratis for the
£200 w.ch will make 170 Pipes and then the freight will be cheaper
wee shall doe what wee can to serve you and a better occasion
could not offer because wee have several conveyances now offer
for England. viz.t this via Bristol another for Exeser and a
small Dutchman for Holland besides in fourteen dayes another
opperturnity via Lisbon but if these or some of them had not
happened wee would not Adventure to Ship the wines for want
of Advice for your Insurance in all things wee act for you as if
it was our owne prosper concerne
Wee are god bee praised at 30.th Ditto and now send you Ld Abraham De
Peysters Bil for £100 — on Ld Charles Lodwick when receive pleas
to carry to our credit
Here is arrived a ship from Lisbon brought us Letters from London
to the 19.th January doe not find that they write any thing of warr
but are resolved to conserve a Neutrality unless are forced to declare
Wee are at 31.th Ditto — have shipped on bord the ships aforementioned for your
acc.t about 150 pp and shall make them up 170 and give dispatch in two
dayes and in case hee can take in ten Pipes more to make 180 wee
will put them abord because they will cost nothing for the freight
haveing agreed for £200 — in the whole wee give you this notice
because of the Insurance you make upon said wines wee shall have
an opperturnity of writeing againe in few dayes, if this should Miss
carry, wee will now close this Letter if any thing should happen
worth your note before the sailing of this ships wee will write you
apart & remaine

Please to send us a Barrel
of Hambro Tin Plates
& forward the Letter & post for Amsterdam
The other & the Packet for Lisbon under
covert to your friend to deliver with his
owne hand being of Importance
