

of the 20th of y^e month sailes a brig. w^{ch} makes our
Publick occasion by w^{ch} shall as have already advised
you value our selves on M^r Steppney for 3.000. l Reis
as have already advised you in Copy w^{ch} we assure
you was the least we could Pass w^{ch} for should have
bin glad if could have bartered y^e wheat away
for wines if we have executed drawing any thing but such a thing
is not to be done here, w^{ch} your good selves are very
sensible off. The rest we are actually in advance
for And shall be still a great while, however we are
willing to doe all y^e Lyer in our power to love our
Friends & we by y^e Conveyance write M^r Steppney of
these our intentions which we shall not fear but
will meet w^{ch} your Concomerance to, & that the
accustomary Caird will be taken of our bills. on
w^{ch} we rely -

We hope in a little time to advise you of 400 rs of
Cine Import will be taken of for by these things M^r John
millner the Consul at Lida remitted the factory a
sentence w^{ch} he has gotten our favor against paying
itt. w^{ch} we have represented to our Provider, who has
promised to deliver us up our Bond. but as yet
has not done itt, the Factory designs to solicit
him againe about itt when the Thury of y^e occasion
rober & the success shall advise you, -
wheat begins now againe to sell w^{ch} suddainely
shall send you the acc^{ts} sailes of yours -
