

for want of other, it is retasting now at 480 or 500 ^{of} a cwt.
likely to continue so, unless there should be a great
quantity imported from abroad w^{ch} we can expect, or
in any probability of. a loading of some might soon
be reported off, we hope towards harvest it will
fall wth you. & may be found to answer tend in it better?
these two or three days last past has bin a little showery
we hope it will blow over other ways will doe a
great deal of damage to y^e vines y^e are now in blossom
we have now in port the martha Capt. Kinghead bound
for Fiall. & the Portugues ship mentioned in Copy
We have at foot send you a Roll of w^{ch} good are
Propped for y^e Island w^{ch} you may send against
another time & as our shopkeepers gives us in
their Receipts shall forward y^e to you for the
future, for we are desirous you should have
the Preference in all things. too wth due
Respects salute you & Remaine
